COFFEE TIME.....9:45 – 10:15

HAPPY FATHER'S DAY

What the scripture says about being a father –

Be your child's first teacher – (Proverbs 22:6)

It's our responsibility to "train up a child in the way he/she should go.

Dads need to exemplify a good life (2 Cor. 3:2-3)

Scripture teaches that who we are and how we live is like a "letter from God." Our kids read that letter, every day.

Good dads discipline their children (Proverbs 13:24)

The one who loves their children, scripture says,
"is careful to discipline them."

Compassion is a "dad" characteristic

As a father has compassion on his children, Psalm 103:13 points out,
"so the Lord has compassion".

The righteous man walks in his integrity;
His children are blessed after him.

Philippine Educational Leaders Retreat

PRAISE: In late May, educational leaders from the Philippines gathered to discuss the past, present, and future of education in the Philippines. Educational leaders representing Philippines Nazarene College (Baguio), Visayan Nazarene Bible College (Cebu), and Asia-Pacific Nazarene Theological Seminary (Manila) attended. Theological education is in transition around the world; the Philippines is no exception. Give thanks for all those involved in theological education across the Asia-Pacific Region, and pray for leaders in these three schools who are seeking wisdom for effective education for a new generation of church leaders, both lay and ordained.

Finding Freedom - PRAISE: Dharmender from India married a woman in 2010. His wife began exhibiting strange behavior, and he realized that she was tormented by an evil spirit. He

went into debt trying to find a remedy. Upon the suggestion of his sister, Dharmender took his wife to a Church of the Nazarene near their home, and Pastor Amar Singh began ministering to the family. Dharmender recalled, “Pastor Amar Singh counseled with me first and then with my family as well. He started visiting our family with other church members and constantly prayed for my wife and my family until she got totally free from the demon.” Now Dharmender and his family are members of the church. Give thanks to God for such deliverance, and for Pastor Singh who was obedient
