NOTICE FROM PASTOR PATTI REGARDING HEALTH CARE PRECAUTIONS IN THE CHURCH:

In light of the Coronavirus (COVID – 19) pandemic, I am encouraging the church to pay particular attention to this challenge by taking any precautionary measures necessary in keeping yourself and others safe. Please use the hand sanitizers that are available in both foyers when you enter and leave the building and as frequently as you deem necessary. I am encouraging a “social distancing” by not shaking hands or participating in other greeting that brings you into a physical contact with others. Thank you for your consideration of this matter.

In light of the most recent N.B. Health bulletin regarding precautions for groups of 150 or more gathering, I have cancelled the Creation Ministries presentation we had scheduled for the end of this month.
